ROUND HORN EYEGLASSES

$188

c. 1900 • Northern China, China • Wood, Brass, Glass, Horn • Collection #KK170B

W: 5.0″ D: 1.25″ H: 2.5″

These antique eyeglasses are hand made of horn, brass, and wood and are designed to balance on the bridge of the nose. These round frames were fashionable in elite circles around the turn of the 20th century, as Western fashions increased in popularity. These glasses have a significant chip to one lens but are otherwise in good condition.
