PAGODA RED

SMALL PALE SILK TASSEL WITH STONE CHARM

$48

China • Silk, Stone • Collection #CJLDT004

W: 1.0″ D: 0.25″ H: 10.75″

In China skilled artisans weave complex knots that you might see sold as souvenirs, but they're also a true art form with a history that's centuries old and a wealth of symbolic meaning. This small barely-brown tassel is decorated with a stone charm, and is handmade from the finest silk thread. It has what's called a "mystic knot" with an endless pattern representing the cyclical nature of life.
