PROVINCIAL FAN STOOL

\$1,280

c. 1900 • Hebei, China • Northern Elmwood • Collection #BJH046

W: 16.25" D: 11.0" H: 20.25"

This late 19th-century stool from China's Hebei province charms with its simple form and smoothed texture. The fan-shaped seat is supported by splayed legs bolstered by simple stretcher bars and a gently curved footrest. Beautifully worn from a century of use, the expressive grain of northern elmwood (yumu) is on full display, textured by traces of the stool's original dark finish.
