GLAZED ELEPHANT GARDEN SEAT

\$1,980

20th Century • China • Ceramic, Glaze • Collection #CSLZ003

W: 19.0" D: 10.5" H: 22.0"

Glazed in a loose, free drip style that recalls ancient sancai ware, this colorful ceramic garden stool charms with a dark brown glaze accented with bold blues, greens, and yellows. Sculpted in the shape of an elephant, the seat blends both form and function and is ideal as a side table, stool or garden sculpture. The elephant is draped in brightly colored finery, including a harness strung with tassels and a saddle that doubles as a pedestal top for seating. The saddle is decorated with Shou longevity characters, symbols for a full and happy life.
