PETITE COFFER CHEST

\$1,280

c. 1850 • Northern China, China • Northern Elmwood, Lacquer • Collection #CFC517

W: 20.25" D: 13.75" H: 15.5"

Perfectly proportioned for its petite size, this low elmwood chest is the ideal place to stow odds and ends. The charming cabinet has all the features of a traditional Chinese coffer - straight recessed legs, curving spandrels, and a floating-panel top that moves with the seasons. The small chest has a single shallow drawer secured with brass hardware. A layer of red-brown lacquer darkens the exterior, now beautifully faded with a smooth patina.
