ZHENZHU MEDITATION STONE

\$1,480

Jiangsu, China • Conglomerate Stone • Collection #ZY5010

W: 33.0" D: 12.0" H: 8.0"

A well-chosen stone is the focal point of both a traditional Chinese garden and a scholar's studio - evoking the complexities of nature and inspiring creative thought. This sculptural zhenzhu stone, also known as pearl stone or puddingstone, is a form of conglomerate limestone found in Lake Tai of Jiangsu province. Speckled with almost painterly daubs of grey and turquoise color, the unusual stone evokes the simple beauty of a rushing stream, a rocky cliff or a quiet lake dotted with lily pads. Continued...

ZHENZHU MEDITATION STONE

Formed millions of years ago, artisans have transformed the rock formation into a decorative sculpture, polishing the stone to accentuate its form in the shape of a mountain range.
