## ALTAR COFFER

**\$6,280**

c. 1850 • Hebei, China • Materials, Northern Elmwood • Collection #DVD024

W: 83.75" D: 18.5" H: 33.75"

Centuries ago this exceptionally beautiful coffer may have served as the family's storage chest and altar table, where they would have paid respects to their revered ancestors. This elegant piece was made in the Hubei Province of China. The striking design is emblematic of the highest-quality Qing Dynasty furniture: lacquered elm wood, clean lines, flanged top, and original brass hardware.
