TWO DRAWER COURTYARD TABLE

\$2,980

c. 1850 • Shaanxi, China • Walnut • Collection #Z176

W: 55.25" D: 20.75" H: 32.0"

Rich with the patina of years, this earnest table speaks volumes about simple pride. The simplicity of the lines speaks to provincial cultures across the world. Made of walnut, a wood prized for its open-grained texture and warm brown color. The curved flanges and brass pulls on the two drawers are expressive on an otherwise streamlined profile. The hanging latches suggest this table originally held a family's prized possessions.
