OROMO TRI-LEG STOOL

\$1,680

c. 1900 • Ethiopia • Wood • Collection #CBH097

H: 15.0" Dia: 17.0"

Hand-carved from a single, solid block of wood, this stool by an Oromo artisan of Ethiopia retains a unique personality as a modern sculpture, seat, or table. The regular chisel marks are telltale signs of this traditional woodcarving practice. Beautifully designed, the stool's cupped seat meets with the three curved legs for a sense of continuous movement and balance.
