ROUND LEG ALTAR TABLE

\$4,880

c. 1800 • Shanxi, China • Northern Elmwood, Lacquer • Collection #TLB097

W: 61.0" D: 13.75" H: 31.5"

With a clean lines and minimal decoration, this 19th-century offering table is at home in any contemporary room. Despite its modern form, the table incorporates many fundamental features of traditional Chinese table design: round legs linked by simple stretchers, a curved apron, and a floating panel tabletop. The dark brown lacquer finish has aged beautifully with time, developing a smooth, patinated texture and revealing the warm color of the Chinese northern elm (yumu) underneath.
