ROUND TRI-LEG STOOL

\$980

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJG039

W: 17.5" D: 17.5" H: 21.5"

This 19th-century stool from China's Shanxi province charms with its simple form and fantastic texture. Its round seat beautifully showcases the expressive grain of northern elmwood and embraces the notion of "wabi-sabi" with its irregular surface. The seat is supported by three tapered legs bolstered by interlocking stretcher bars. Beautifully worn with time and use, this stool is an easy and versatile addition to the home.
