## BENT HANDLE WILLOW BASKET

**\$388**

c. 1900 • Shanxi, China • Wood, Willow • Collection #BJEE028J

H: 24.75" Dia: 16.0"

Long ago, someone may have carried this finely crafted bent handle willow basket home from the market everyday: the tightly woven willow strips and strong handle comfortably supporting the weight of their groceries. This basket was made in China and is a handsome collector's item, but it was designed to be useful. It has worn beautifully with time, but remains in remarkable condition as a testament to its craftsmanship.
