## CLOUD DOUBLE BOTTLENECK VASE

**\$680**

Jiangxi, China • Porcelain • Collection #BJEE121

H: 15.0" Dia: 13.0"

The location of a 2,000-year-old ceramics industry, Jiangxi province is experiencing a creative renaissance, attracting artisans eager to master and expand upon traditional ceramic techniques and forms. This charming vase, for example, updates the classic bottleneck design with a more graphic, modern silhouette. The striking white glaze nods to the Song dynasty (960-1279) when tastes shifted to monochrome glazes in single, statement-making colors.
