BLACK AND WHITE MEDITATION STONE

\$1,480

Shandong, China • Stone • Collection #BW5015

W: 25.5" D: 11.5" H: 8.0"

A well-chosen stone is a focal point of both a traditional Chinese garden and a scholar's studio - evoking the complexities of nature and inspiring creative thought. Sourced from China's Shandong province, this meditation stone has a mesmerizing pattern of black-and-white strata, the inky black layers swirling with the painterly flourishes of a calligraphy brushstroke. Polished to bring out its evocative veining and smooth its edges, this stone is wonderful as a sculpture, set on a tabletop or nestled in a garden.
