Beijing, China • Ceramic • Collection #BJCC062

H: 19.25" Dia: 14.25"

Chinese blue-and-white porcelain has inspired ceramists worldwide since cobalt was first introduced to China from the Middle East hundreds of years ago. This contemporary vase captures the expressive nature of blue-and-white porcelain within delicate vignettes of birds resting on the branches of a tree peony. Each vignette is framed by abstract bats with outstretched wings and surrounded by a pattern of soaring cranes, traditional symbols of longevity.
