MEIPING PHOENIX VASE

\$780

Beijing, China • Porcelain • Collection #BJCC061

H: 20.75" Dia: 11.5"

This contemporary take on the traditional meiping vase form is beautifully painted with quiet decoration. Two hand-painted grand phoenixes soar through a field of white, sparsely dotted with billowing clouds. The vase's high shoulders taper gently towards the flared base, decorated with pointed panels and a band of ruyi symbols, emblems of longevity.
