## PAGODA RED

## **BLUE AND WHITE SHIZI JAR**

## \$980

Beijing, China • Ceramic • Collection #BJCC023A H: 21.5" Dia: 11.75"

Images of shizi, a lion-dog symbol of power and strength of character, cavort among the stylized clouds of heaven on this hand-painted covered jar. Created by a contemporary artisan, this baluster jar is a beautiful continuation of the tradition of Chinese blue-and-white ceramics, a style that has inspired ceramists around the world for centuries. The lid's shizi-shaped knob reinforces the jar's theme with delightful impact.
