BLUE AND WHITE TEA LEAF CANISTER

\$880

Zhejiang, China • Ceramic • Collection #BJA043

H: 17.25" Dia: 12.75"

A lidded jar of this scale would have originally been used to store bushels of tea leaves. This contemporary example is hand-painted with a cherry blossom motif representing feminine beauty. Freely brushed in dark blue, the artist's expressive brushwork is clearly visible, lending the canister a sense of vibrancy and freshness.
