BOOK TRUNK

\$1,480

c. 1850 • Northern China, China • Camphor • Collection #Y017

W: 37.25" D: 24.25" H: 17.0"

Long ago, a Chinese scholar would have used this trunk to hold and transport heavy books or piles of important manuscripts. Solidly built with a great deal of care, the trunk is constructed out of camphor wood with a polished finish that gives the surface a warm glow. This one-of-a-kind trunk was made over 150 years ago in Northern China.
