BRASS PHOENIX BRAZIER

\$680

c. 1850 • Northern China, China • Brass • Collection #CBH102

H: 6.5" Dia: 7.25"

Filled with burning coals, this exquisitely crafted 19th-century brass brazier once warmed the hands of a wealthy woman on a cold winter's night in northern China. Designed to let heat waft over cold hands, the lid is perforated with teardrop-shaped punctures framing a central design of a phoenix resting amid chrysanthemums.
