PROVINCIAL BURDEN BAR

\$780

c. 1900 • China • Materials, Northern Elmwood, Brass • Collection #JJ091B

W: 2.25" D: 1.5" H: 57.0"

Used to tote pails of water and grain, this 19th-century yoke, or burden bar, transcends its utilitarian origins as a striking sculptural object. Fitted with the original brass finishes, the burden bar is gently tapered at the ends and softened by a rich, dark patina.
