BURMESE HANGING STORAGE VESSEL

\$680

c. 1900 • Burma • Wood, Lacquer • Collection #CBH106

W: 11.0" D: 11.0" H: 11.25"

This round Burmese vessel was likely designed as hanging storage for everyday use. A thin core structure of wood and clay was then cloaked in black and red cinnabar lacquer for stability and decoration. The remarkably lightweight vessel is wonderful as a decorative vase or cachepot, its surface now richly aged from use.
