CAST IRON TEA POT

\$480

c. 1900 • Northern China, China • Cast Iron • Collection #CAJ001A

W: 10.0" D: 7.5" H: 12.0"

This early 20th century cast iron tea pot would have been an essential part of everyday life in China. Cast iron retains heat for long periods of time, making the kettle ideal for use in cooking, tea brewing, and house cleaning. Cast without excessive decoration, the tea pot has a sculptural form that adds rustic charm to a styled bookcase or console table.
