COLORFUL STONE

\$728

Contemporary • China • Stone

W: 22.0" D: 19.5" H: 5.0"

Collection #PM1133

Scholars' rocks in ancient China were appreciated by artists, who collected them to inspire creativity. This stone from Jiangsu Province, with its natural juxtaposition of dark and light, is thousands of years old, yet is often mistaken for a modern sculpture. For display indoors or out.
