ROUND LEG COURTYARD STOOL

\$680

c. 1850 • China • Northern Elmwood, Lacquer • Collection #CJL013

W: 16.0" D: 12.0" H: 19.5"

This Chinese courtyard stool dates to the mid-19th century and has a classic splayed leg design with round legs and a rectangular seat. The stool is crafted of northern elmwood (yumu) using traditional mortise and tenon joinery, plus the added support of the occasional nail. The seat is formed from a solid plank of elm with ridged sides and smoothed top surface burnished from years of use. The splayed legs are reinforced with straight stretchers and topped by a simply carved apron on each side. The rustic stool is brushed with a thin layer of brown lacquer, now richly aged and crackled in some areas for a crazed texture. Continued...
