## PROVINCIAL SALT JAR

**\$580**

c. 1900 • Southern China, China • Ceramic • Collection #CJKA018

H: 11.0" Dia: 11.0"

Originally used for salt pickling foods in a provincial kitchen, this early 20th century stoneware jar from southern China is coated inside and out with a dark brown glaze. The jar has a tapered form that narrows at the base and high shoulders textured by paddle marks. Speckled with imperfections, this glazed pot exemplifies the timeless appeal of handcrafted pottery.
