WALNUT CLOUD COFFER

\$5,880

c. 1850 • Northern China, China • Walnut • Collection #W064

W: 64.5" D: 19.5" H: 33.5"

Crafted of golden walnut, prized for its open-grained texture and warm tones, this 19th-century chest balances the quiet flair of its cloud spandrels with traditional simplicity. The plank top features a butterfly patch, a wabi-sabi mark of its tenacity. This versatile chest was originally a family altar with storage space beneath. Today, it is enjoyed as a buffet, entry cabinet or for clothes in the bedroom.
