In an exclusive collaboration with PAGODA RED, each hand-studded piece by artist the bms. was transformed from a provincial 19th-century artifact into a one-of-a-kind work of art. Embellishing with silver and gold tacks, the bms. adds a contemporary twist to our storied objects, animating each surface with bold and provocative designs. Marked by the artist's golden touch, this 19th-century wine table gains a sculptural flair, studded as though molten gold flows down the sides.
