BAI BALUSTER JAR

\$480

Zhejiang, China • Porcelain • Collection #BJEE084J

H: 20.0" Dia: 11.0"

Defined by its rounded body, high shoulders, and domed lid, the time-honored form of the Chinese baluster jar takes on a streamlined look in this contemporary interpretation made in China's Zhejiang province. Traditionally elaborately decorated, this modern take is cloaked in a simple, milky white glaze to call out its sculptural form.
