CONSOLE TABLE WITH CUSPED APRON

\$5,980

c. 1850 • Shanxi, China • Northern Elmwood, Lacquer • Collection #BJFF066

W: 43.75" D: 15.75" H: 32.5"

Handcrafted of northern elmwood over a century ago, this simple console table expresses the clean lines and elegant restraint that make Qing-dynasty carpentry so sought after. Emphasizing the table's refined form, a simple cusped apron flows into spandrels marked by carved ruyi symbols, emblems of longevity and immortality. Layers of dark lacquer coat the surface for a rustic finish with fantastic character.
