Our custom reclaimed wood console tables are hand-crafted by local artisans using architectural salvage from Qing-dynasty buildings. Each table is expertly crafted to a minimalist, waterfall design with traditional dovetailed joinery, without a single nail or screw. A celebration of organic, rustic and wabi-sabi styles, the clean lines highlight all the knots, grooves and colors of our one-of-a-kind elmwood timbers.

Table is made to order to your custom size and finish. Lead time is 8-12 weeks. Pricing starts at \$5,880. Some additional charges may apply for size customizations. Continued...
