CLOUD-FORM BRASS FOLDING STAND

\$228

c. 1900 • Tibet • Brass • Collection #CFC665

W: 3.5" D: 3.5" H: 4.5"

Crafted with cloud-form flourishes, this Sino-Tibetan brass stand dates to the early 20th century and was likely used to elevate a decorative or ritual bowl. The small stand neatly folds together from a central hinge and is engraved with a simple outline and double fish embellishments. One of the Eight Treasures of the Buddha, the double fish motif conveys blessings of abundance and good fortune.

From the collection of Frances and Gary Comer.
