## FOSSILIZED STONE

**\$1,980**

Northern China, China • Stone • Collection #DP001

W: 17.5" D: 13.5" H: 6.5"

The result of plant life that's completely transitioned to stone over millions of years, this singular fossil has an intriguingly dynamic shape. A focal point in a traditional Chinese garden and a scholar's studio, the stone inspired creative thoughts, evoking mountainous landscapes and organic motion.
