FOUR DOOR FLATLANDS COFFER

\$6,880

c. 1900 • Mongolia • Northern Elmwood • Collection #BJFF047

W: 82.0" D: 16.5" H: 37.25"

Created in Mongolia for general household storage, this 19th-century coffer has a straightforward design with lots of rustic appeal. Originally configured to open at the top, the chest was modified with front-facing doors by our carpenters skilled in traditional joinery. The coffer reflects the no-nonsense style favored by a culture long rooted in a nomadic and horse-focused lifestyle. Its Shaker-like simplicity fits right into the modern home as a sideboard or credenza.
