FULL MOON STONE TROUGH

\$1,280

c. 1800 • China • Limestone • Collection #TLC068

W: 16.0" D: 14.75" H: 7.0"

Once used on a provincial Chinese farm to hold water or animal feed, this early 19th-century stone trough is celebrated today for its organic form and rustic authenticity. Hand-carved from solid limestone, the trough has a circular form with slight asymmetry and an etched pattern of vertical grooves. The surface of the stone has softened with time, developing rounded edges and a smooth texture from centuries of use. Continued...
