FAUX-BAMBOO WALL MIRROR WITH CARVED PANEL

\$1,880

China • Pigment, Northern Elmwood, Lacquer, Glass • Collection #CFC308

W: 17.75" D: 1.5" H: 27.0"

This rectangular wall mirror features an antique Chinese bed panel and a contemporary gilt frame carved to resemble lengths of segmented bamboo. Likely extracted from an antique canopy bed or cabinet, the 19th-century panel is carved in low relief with a scene of imperial figures gathered within an elaborate palace courtyard. Now faded from a century of wear, the carving is decorated with red lacquer, mica flakes, and traces of blue and gold pigments.
