GLAZED KITCHEN JAR

\$368

c. 1900 • Shanxi, China • Ceramic, Glaze • Collection #TLB155AAA

H: 7.5" Dia: 7.5"

A dark brown glaze clings to the tapered form of this petite 19th-century jar, once used daily in a Qing-dynasty kitchen. The wide-mouth jar is shaped with gently sloping sides, high shoulders, and two small strap handles. The lustrous dark glaze has a glossy finish, lightly crazed and textured by firing imperfections for a speckled pattern.
