## GRAND MERCHANT TRAY

**\$1,280**

c. 1850 • Northern China, China • Northern Elmwood • Collection #CAI052

W: 31.5" D: 22.25" H: 4.0"

Dug out and carved from a single piece of fruitwood, this hundred-year-old tray made in Shanxi province charms with its rusticity and organic form. Marked with use and distinguished by the natural grain and knots of wood, the monumental size brings its timeless appeal to modern interiors as a sculptural object, catch-all or functional platter.
