GREEN GLAZED FANTAIL VASE

\$880

Late 20th Century • China • Porcelain • Collection #CFC508B

W: 8.0" D: 8.0" H: 24.25"

A contemporary iteration of the classic Chinese phoenix-tail vase form, this tall porcelain urn by interior design house Maitland-Smith features a square body with angular shoulders and a flared top. A mottled glaze coats the exterior in a palette of light green and brown, reminiscent of ancient sancai ware. With simple decoration and sculptural form, the large vase blends effortlessly into traditional and modern interiors alike.
