GREEN GLAZED PICKLING POT

\$388

c. 1900 • Zhejiang, China • Ceramic • Collection #BJA047

H: 10.5" Dia: 11.25"

Luminous blue-green glaze sheets, pools, and drips over the surface of this pickling pot, lingering beautifully on every imperfection. Masterfully crafted in the mid-19th century, this Qing-dynasty jar once used for household storage exhibits a rich range of tonal color, finely crazed texture, and pitted wear that gives this ceramic jar fantastic character.
