## PROVINCIAL GREY GLAZED BOWL

**\$380**

c. 1850 • China • Ceramic, Glaze • Collection #CMRC030

H: 3.25" Dia: 8.0"

This 19th-century ceramic bowl is simply shaped with tapered sides and a heavy footed base. A cool grey glaze coats the bowl inside and out, pooling at the bottom with increased opacity. The footed base has been left unglazed, along with a circular sloop wiped onto the interior for decoration. The pale glaze has aged beautifully with time, textured with imperfections and light crazing.

Bowl has one hairline crack along rim.
