GUATEMALAN CHILD'S CHAIR

\$480

c. 1900 • Central America • Wood • Collection #CBH003F

W: 9.25" D: 10.0" H: 12.25"

Crafted in the early 20th century, this petite Guatemalan children's chair charms with its playful asymmetry and richly textured surface. Influenced by Spanish Colonial furniture design, the chair has a slatted back and square seat resting on two short, hand-turned legs. The low seat is the perfect height for a youngster, but we love this petite chair as a low side table or tabletop display stand.
