## GUATEMALAN CHILD'S CHAIR

**\$580**

c. 1900 • Central America • Wood • Collection #CBH003H

W: 13.25" D: 12.0" H: 16.5"

Crafted in the early 20th century, this petite Guatemalan children's chair charms with its playful asymmetry and richly textured surface. Influenced by Spanish Colonial furniture design, the chair has a slatted back carved with an abstract flower and square seat framed by two angular arm rests. The low seat is the perfect height for a youngster, but we love this petite chair as a low side table or tabletop display stand.
