PROVINCIAL HALF TABLE

\$2,880

c. 1800 • Shanxi, China • Northern Elmwood • Collection #TLB098

W: 37.0" D: 19.0" H: 18.0"

With clean lines and a simple silhouette, this 19th-century half table from Shanxi province expresses the restraint of classical Chinese furniture design. Crafted of northern elm (yumu) with mortise-and-tenon joinery, the table's streamlined form features a rectangular floating-panel top, a waisted apron and short legs ending in hoofed feet. The naturally distressed patina exposes the underlying wood grain, adding to the table's wabi-sabi appeal.
