HERDSMAN COFFER

\$7,580

c. 1900 • Mongolia • Northern Elmwood • Collection #BJFF044

W: 74.25" D: 16.5" H: 34.25"

Created in Mongolia for general household storage, this 19th-century coffer has a straightforward design and plenty of rustic appeal. Originally configured to open from the top, this chest was modified with doors by our carpenters skilled in traditional joinery. Reflective of the no-nonsense style favored by a culture long rooted in a nomadic lifestyle, its Shaker-like simplicity fits right into the modern home as a sideboard or credenza.
