IRON BELL

\$680

c. 1850 • Northern China, China • Iron • Collection #S157A

H: 17.0" Dia: 13.5"

This rustic, 19th-century iron bell once pealed in celebration or gave notice of important events in a town in northern China. Marked with holes to affix the clapper or insert a pole, the bell looks lovely lit from within by a flickering candle or simply stationed as a garden sculpture.
