

QING IRON BELL

\$388

c. 1850 • Northern China, China • Iron • Collection #S114B H: 10.0" Dia: 9.5"

This rustic, 19th-century iron bell once pealed in celebration or gave notice of important events in a town in northern China. Marked with holes to affix the clapper or insert a pole, the bell has a well-worn, rusted surface texture that looks wonderful in a garden year round.
