CUSTOM LIMESTONE DOON TABLE

\$2,980

Made to Order • Shanxi, China • Limestone • Collection #SOPR0005

W: 12.0" D: 12.0" H: 16.5"

This minimalist block-form doon table is hand-carved of limestone with rounded edges and a rhythmically etched surface. The table's simple linear form honors the balance and restraint characteristic of Ming-dynasty design.

As much an architectural element as it is a piece of furniture, the table continues a long Chinese tradition of stone furniture, valued for its rich texture and inherent permanence. The effortless form sits just as beautifully in the garden as a sculptural table as it does in modern interiors as a side table, stool, or pedestal.

Table is made to order to your custom size. Continued...
