HOOFED FOOT WALNUT SIDE TABLE

\$3,780

c. 1700 • Northern China, China • Walnut, Lacquer • Collection #Y160

W: 29.0" D: 19.5" H: 21.0"

This early Qing-dynasty example of a hoofed foot table exemplifies the way the sophisticated minimalism of the Ming dynasty influenced even provincial furniture. The design is elegantly proportioned with a slim top and square legs ending in hoofed feet. The walnut timber, known as hetaomu, has aged beautifully with time, exposing the grain of the wood and adding to the naturalistic appeal of this table, worthy of a collector's eye.
