LOW STONE CHICKEN TROUGH

\$980

c. 1900 • Northern China, China • Limestone • Collection #BJEE400G

W: 71.0" D: 8.5" H: 5.75"

This long and narrow trough carved of solid limestone was once used on a farm in rural China in the early 20th century. Designed to hold water or chicken feed, this trough has aged beautifully over time and today could be used as an elegant planter for succulents and other flora.
